

# OPPO Elevate -Application Form

The OPPO Elevate aims to empower technology professionals and entrepreneurs to bring innovative solutions to life and create a better future together. Learn more from official website: [www.oppo.com/in/events/elevate/](http://www.oppo.com/in/events/elevate/)

**Applications can be made by submitting the required documents to:**

**[OPPO-elevate@oppo.com](mailto:OPPO-elevate@oppo.com) and [proposal@oppo.com](mailto:proposal@oppo.com)**

The theme of the 2022 OPPO Elevate is “Virtuous Innovation”. Applicants can submit proposals that fit this theme while targeting one of the two subjects — “Accessible Technology” and “Digital Health”.

## **1. Accessible Technology: Empowering everyone with the benefits and convenience of technology**

The Accessible Technology subject will focus on proposals that increase technological inclusiveness and cater to the diverse needs of different user groups in technological applications or products. Proposals will ideally provide solutions that improve adaption of existing technology for elderly users, support design for accessibility, improve ease of use for disadvantaged groups, etc. Proposals aim to identify ways in which the benefits of technology can be enjoyed by more people in a more accessible way.

## **2. Digital Health: Giving people control over their health through digital and AI health solutions**

The Digital Health subject will focus on technology, products, and services related to healthy lifestyles and intelligent health services. Proposals should aim to leverage innovation in algorithms, sensor technology, data analysis, healthcare products, and healthcare ecosystems to help users improve their general health, their exercise habits, sleeping habits, diet, and mental health, etc. Through digital intelligence, proposals should offer safer and more effective health services and improve public awareness towards healthy living.
