

Note:
1.Material requirements: OCF;
2.The protective film is required to prevent fingerprints, and the contact angle is greater than 110° ;
3.Meet the functional requirements of fingerprint devices;
4.The protective film needs to be cut diagonally, and there is no air bubbles, deformation or wrinkles on the surface;
5.The drawing size is used to inspect the shape, function and assembly of the assembled parts.
6.Material code: 4882997
