

## GB Declaration of REACH Conformity

**Producer's Name :** GUANGDONG OPPO MOBILE TELECOMMUNICATIONS CORP., LTD.  
**Producer's Address :** NO.18 HAIBIN ROAD, WUSHA VILLAGE, CHANG'AN TOWN,  
DONGGUAN CITY, GUANGDONG, CHINA

According to the UK REACH, OPPO is defined as a producer of articles and has done its best to meet requirements of UK REACH. Details are as follows:

### Registration

According to New registration and Grandfathering EU Registration under UK REACH, companies have to collect information on the properties and uses of the substances they manufacture or import above one tonne a year, and submit a registration to the Agency(HSE). They should also assess the hazards of the substance and any potential risks presented by its uses. Registration applies to substances on their own, substances in mixtures (formulated products) and in certain limited cases to substances in articles. **As far as we know, OPPO does not apply this requirement.**

### Notification

According to Article 33, any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0,1 % weight by weight (w/w) shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of that substance.

**OPPO has assessed the SVHC may be contained in this product above 0.1 % weight by weight (w/w).**

SVHC	CAS.NO	Application	Products
1,3-propanesultone	1120-71-4	Lithium-Ion Battery	Mobile phone, Headset, Portable power source, Bluetooth speaker, Watch, Band
Lead	/	chip resistor, fuse, diode, thimble, mosfet, pin, plug, copper nut, bridge rectifier, IC	Mobile phone, Headset, Adapter, Cable line, Portable power source, Bluetooth speaker, Watch, Band
Lead monoxide (lead oxide)	1317-36-8	chip resistor, fuse, power amplifier, accelerometer	Mobile phone, Headset, Adapter, Cable line, Portable power source, Bluetooth speaker, Watch, Band

1,2-dimethoxyethane	110-71-4	Button cell	Selfie stick, Remote button
Azodicarbonamide	123-77-3	Polyethylene Foam	Mobile phone, Bluetooth speaker, Portable power source, Headset
4-Nonylphenol, branched and linear	/	glue	Glue used in box, Mobile phone, Headset, Watch, Band etc

The SVHCs used in these products do not pose a safety risk to customers under normal use conditions. To ensure that these products are recycled appropriately, you can return your OPPO device to an OPPO after-sale service station for free recycling.

Importers and producers of articles must notify the Agency (HSE) if substances listed on the SVHCs are present in their article(s), under certain conditions as laid out in article 7(2):

a) the substance is present in those articles in quantities totalling over 1 tonne per producer or importer per year; and

b) the substance is present in those articles above a concentration of 0.1 % w/w.

**OPPO will work with its supplier to ensure that all applicable SVHC are notified.**

## Restriction

Restriction is a measure for protecting human health and/or the environment from risks posed by chemicals on their own, in mixtures or in articles. According to Restrictions under UK REACH, restrictions limit, ban or set conditions on the manufacture, placing on the market or use of a substance or group of substances.

**Those restricted substances applicable to article have been restricted by OPPO. This product does not contain any restricted substances applicable to article above the threshold level.**
