NOTE:
1. Material: TPU(Raw Material Wanhua T195-OP), the quality of raw materials must meet the requirements of RoHs and Reach.
2. Color and surface treatment should meet the requirements of ID CMF, and subject to ID signature.
3. No defects such as stains, holes, deformation and different colors on the surface; no defects such as notches, deformations, or burrs on edges.
4. Size, function and assembly inspections should be conducted.
5. For those unmarked dimensions, refer to 3D; and for those unmarked tolerances, refer to tolerance table.
6. Part Code:
3063012(Gray);3062653(Transparent);3062655(Black).
